Medical Escorts

World Med Assistance provides a medical escort service for all your needs. Physicians, nurses, nurse anaesthetists are at your disposal for:

- Medical repatriation
- Accompanying patients or the elderly on trips (plane, train, boat, etc.) during holidays, moving, etc.
- Accompanying celebrities or VIP

World Med Assistance will provide their expertise and medical logistics wherever you need it, in France as well as abroad, for enhanced medical security when you travel. We are professional and discreet and can adapt to your needs.

Our physicians and nurses are operational in just a few hours, which is the proof of our responsiveness. Regardless of the destination, we have the right solution.

On missions, our physicians and nurses are systematically fitted out with standard medical equipment. This can be completed according to the specific nature of the mission:

- Portable oxygen concentrator
- Multi-parameter patient monitor with built-in defibrillator
- Transport ventilator
- Electric syringe driver
- Pharmacy adapted to pathologies
- Immobilisation equipment: vacuum mattress, splints, cervical collars, etc.
